

111674

# OrionPRO LED IP20 4000K 5W/M 5M Kit

## FEATURES

- 3 years (2 years + 1 year) extended warranty
- White plastic finish
- Constructed from polymer film
- Low maintenance costs
- Easy installation

## SPEC DATA

|                             |                                  |
|-----------------------------|----------------------------------|
| Product Wattage:            | 19W                              |
| Product Lumen:              | 1900                             |
| Lumen/W:                    | 100                              |
| Kelvin:                     | 4000K                            |
| Energy Rating:              | F                                |
| Dimmable:                   | Y                                |
| Beam Angle:                 | 180°                             |
| SDCM:                       | 6                                |
| CRI:                        | 90                               |
| Power Factor:               | 0.9                              |
| Lifetime (Hours):           | 35000                            |
| LED:                        | San'an                           |
| LED qty:                    | 320 LEDs/M                       |
| Driver Type:                | Constant Voltage 24V DC ,1A, 24W |
| Inrush Current at Start Up: | N/A                              |
| Product Voltage:            | 220-240V                         |
| Hertz:                      | 50/60                            |
| Operating Temp.:            | -20 °C ~ +40 °C                  |
| Surge Protection:           | 1.5KV                            |
| Product Weight (KG):        | 0.3                              |
| Class:                      | 2                                |

## ACCESSORIES

- 102663, OrionPRO IP20 connector tape to tape
- 108282, OrionPRO connector T/L
- 111670, OrionPRO IP20 connector multifunctional IP20 8MM tape
- 116614, OrionPRO IP20 connector tape to driver
- 116615, OrionPRO IP20 connector flexible tape to tape
